10:30 cookies, 10:45 talk  
COB 267

ABSTRACT:

Please join us for the Physics Faculty Presentation, UCM Grad Open Day. Participating Physics Faculty include Professors Eric Brown, Sayantani Ghosh, Ajay Gopinathan, Linda Hirst, Kevin Mitchell, Jay Sharping, Michael Scheibner, Jing Xu.

Graduate Research in Physics at UC Merced

**Experiment**

- Biophysics, biophotonics
- Condensed matter, nanotechnology
- Fluid dynamics, granular materials
- Solar energy conversion

**Theory**

- Atomic physics
- Biophysics, soft condensed matter
- Non-linear dynamics
- Quantum optics, quantum information
