School of Natural Sciences
University of California, Merced
Organizational Chart
August 24, 2016

- Annette Garcia
  Assistant Dean for Faculty Support

  - Jim Whalen
    Life Sciences Instructional Lab Manager
    Main Responsibilities
    • Oversight of biology and earth systems instructional labs
    • Train and support upper division biology and earth systems TAs

  - Donna Jaramillo-Fellin
    Physical Sciences Instructional Lab Manager
    Main Responsibilities
    • Oversight of chemistry and physics instructional labs
    • Train and support upper division chemistry TAs

  - Melissa Russell
    Chemistry Lab Coordinator
    Main Responsibilities
    • Manage lower division chemistry instructional labs
    • Train and support lower division chemistry TAs

  - Stefanie Stepp
    Physics Lab Coordinator
    Main Responsibilities
    • Manage physics instructional labs
    • Train and support physics TAs

- Leah Young-Chung
  Biology Lab Instructional Coordinator
  Main Responsibilities
  • Manage biology instructional labs
  • Train and Support upper division biology TAs

- Hiram Dominguez
  Lab Assistant
  Main Responsibilities
  • Set up, tear down, and service biology instructional labs
  • Train and support Bio2 TAs

- Esther Buie
  Biology/LES Scientific Research Associate
  Main Responsibilities
  • Set up, tear down, and service biology instructional labs
  • Train and support Bio1 TAs

- Olivia Hua
  Chemistry Lab Assistant
  Main Responsibilities
  • Set up, tear down, and service chemistry instructional labs

- Celso Lopez
  Chemistry Lab Assistant
  Main Responsibilities
  • Set up, tear down, and service chemistry instructional labs
